Soft Skill

- Observation
- Decision Making
- Communication
- Multi-tasking

Hard Skill

- C/C++(beginner)
- Python(beginner)
- Microsoft Excel(beginner)
- HDL programming(beginner)
- Assembly language (beginner)

Machine Tool Handling

- Keil uVision4
- Cisco Packet Tracker
- MATLAB
- Vivado Design Suite

About Me

Communication Engineering Student.

I consider myself a responsibly and orderly person.

I am looking forward for my first work experience.

Education

UG : electronics and
communication engineering

Graduation: 2025
CGPA:7.6

CLASS 12

Graduation:2021
Marks: 87.51

CLASS 10

Graduation:2019
Marks: 83.2

Project Experience

Smart Street Light Intensity Control:

brighter when needed, dimmer when not, saving energy,
money, and the environment. The street light controller is
installed on the streetlight and communicates with the
mobile app via Bluetooth.

technology used:ESP32 microcontroller, Bluetooth module,
PWM driver ,LED.

Intelligent Document Processing System:

Developed an Intelligent Document Processing system
using Python in Google Colab, leveraging machine
learning and NLP techniques for automated data
extraction from various document formats.
